Dear VIG Gymnasts,

We're so excited to have you as a performer in our May 22 VIG Olympics. This event is a gym-wide opportunity for every athlete to showcase a small handful of their skills, as dictated by level-appropriate compulsory routines.

Don't worry about the VIG Olympics being a high-pressure event. That's just not the way our gym operates. Rather, the VIG Olympics is a fun way for you to experience performing and, if you like, *competing* with other athletes of your same age and level.

Please return this completed entry form no later than Friday, April 30. No late entries will be accepted. (Sorry to sound so harsh. Late entries cause ripple effects that extend well beyond what one might initially think). Please note that your entry fee is due with your entry form and, because we incur expenses with each individual entry, entry fees are nonrefundable.

Good luck to everyone!
